Cabot Aquatic Park Rain Policy:

KEEP YOUR RECEIPT and WRISTBANDS! We will suspend our aquatic-park attractions for 30 minutes when unsafe conditions are present (as determined by our Management in conjunction with our weather service). We will re-open after 30 minutes if weather conditions in our immediate area are safe to do so (we cannot guarantee ideal weather conditions). In the event that we cannot reopen the aquatic park within 90 minutes consecutive, you'll receive a RAINCHECK for a return visit. NO RAINCHECKS will be issued if you have been at the park more than 120 minutes and if you have purchased a wristband within 120 minutes of closing. Also, if we close the aquatic park 90 minutes before closing time, you WILL NOT receive a raincheck. Management retains the right to delay the issuing of rainchecks if there is reason to believe the aquatic park may reopen.

The following on how to receive your **RAINCHECK:**

Please have receipt and wristbands ready! Rainchecks will be issued at the entrance window located at the front of the Cabot Aquatic Park. If a person is turning in more than one wristband, all members of the group must be present at the window. The rainchecks are good for one entry on a next visit day and are only valid for the current season. RECEIPT AND WRISTBAND(S) MUST BE TURNED IN! We will not issue a raincheck if the ticket you used to get in the park was another raincheck. ANY KIND OF PROFANITY, YOU WILL NOT RECEIVE A RAINCHECK. **NO RECEIPT, NO WRISTBAND equals NO RAINCHECK!**

Thanks,

Cabot Parks and Recreation Staff
